I. Report on City Activity by Peter Brown

A.

1. City Council Homeless Committee will meet first Thursday of each month at 4PM in Council office. However, this month meeting was postponed to July 8, 3 PM. Agenda includes response to grand jury findings, update on Kingdom Center/Harbor; Gateway update and prep for Aug 2 Council meeting re homeless issues, SB2 and housing element. If there are not items on the agenda, meeting is cancelled so check before attending (with Debora Schreiber, Peter Brown, or Neal Andrews).

2. City response on SB2 goes beyond what is required. It is understood that running homes for homeless individuals is not a way to make money, but is done by groups with commitment; therefore Council accepts it is not necessary to make excessive regulatory rules.

3. Discussion on shopping carts ongoing. Legality of Santa Barbara pan handling ordinance is being looked into by ACLU.

4. In October, Safe Sleep 6 month follow up is on Council agenda, and other Homeless related issues

5. August 31, Cal Lu freshman working to clean river bottom. Team Captains needed to help.

B. CHP Lt Casey Cronin gave a report on plans to clear out three encampments near downtown. They will post notices and go in 72 hours later to clear out. They are willing to work with helpers and were happy to have Sherry Cash assist them. They expressed desire to help people get services and to be part of solving problems, and a sensitivity to not overwhelming available services and resources. They will work with

Caltrans and with sheriffs involving camps on state right of ways or in unincorporated areas. Union Pacific has their own police, Lt Cronin will pursue issue of how to work with them about encampments there.

II. Subcommittee reports (meeting times / locations at end)

A. Faith Communities by Bill Finley

1. Homeless Awareness Month will be in November. 10 churches are now on board. Hope to contact and invite seniors and mobile home park residents, would like to have transportation arranged.

B. Gateway by Bill Finley... “a gateway to help and hope”

Salvation Army is lead agency. Looking at what services are missing in town: detox, emergency shelter, single entry to service providers, and transitional SRO's. Will include some Veteran beds. Will be seeking county money...site ownership is key for this. Estimate 10 million to build not including acquisition costs or operation costs. Will be bringing idea out to community via community councils and through clergy. Idea is to sell people on concept without being attached to a site at first.

Motion made for VSSTF to support the Gateway Concept. Discussion. No one opposes the plan, and there is overwhelming support so this motion was supported by acclamation.

B. Homeless Prevention by Cindy Cantle

1. Catholic Charities helped 6 households using \$2,558 . In July, Salvation Army has fund and in August, Project Understanding. Since inception in June 2007, 141 households have been helped. Paul Bramson donated \$55 he collected and \$413.24 was collected on July 4.

2. Working with Beth so Lift Up Your Voice is a partner with VHPF, especially for outreach. She is working on materials for consistency and branding.

3. A direct donor letter will go out later this summer.
